PROFILE

Computer Science student with a strong foundation in programming, web development, database management, and computer networks. Experienced in building responsive web applications using React.js and developing academic projects involving Java, Python, SQL, and Cisco Packet Tracer. Passionate about solving problems through practical software solutions and learning new technologies.

TECHNICAL SKILLS

- **Programming Languages:** Python, C, Java, JavaScript, SQL
- **Web Development:** HTML5, CSS3, React.js, Vite
- **Frameworks & Libraries:** Tailwind CSS, Framer Motion, React Router, Recharts
- **Database:** Oracle SQL
- **Computer Networks:** Cisco Packet Tracer, TCP/IP, DHCP, CRC, Routing & Network Configuration
- **Tools & Platforms:** VS Code, Git, GitHub, Netlify, Vercel, Jupyter Notebook, Google Colab
- **Core Concepts:** Data Structures & Algorithms, Object-Oriented Programming, Computer Networks, Database Management Systems
- **Languages:** English (Fluent), Hindi (Fluent), Bengali (Native)

PROJECTS

Currency Converter — Java · Java Swing

- Developed a desktop GUI application for converting values between different currencies.

Sorting Algorithm Visualizer — HTML · CSS · JavaScript — [Live Demo](#)

- Developed an interactive web application to visualize and compare sorting algorithms using real-time animations.

Online Banking Network — Cisco Packet Tracer · TCP/IP · DHCP · CRC

- Designed and simulated a multi-network banking system using routers, switches, and end devices.

E-Commerce Website — HTML · CSS · JavaScript · Oracle SQL

- Developed an e-commerce website and applied database management concepts using Oracle SQL.

Course Registration System — Java · OOP

- Developed a course registration system using Java and object-oriented programming concepts.

Library Management System — C

- Developed a library management system using C as part of a collaborative team project.

EDUCATION

CSE-DS — Brainware University Expected Aug 2028

5th Semester (Ongoing) · Overall CGPA: 8.33 / 10.0

ADDITIONAL

Soft Skills: Problem Solving · Team Collaboration · Technical Documentation & Reporting · Presentation Skills · Communication · Time Management
